### Plant Asset Sales & Investment Recovery

We are a surplus plant asset investment recovery company. We help manufacturers recover value on their surplus and idle plant assets by helping them to sell, transfer, trade, donate, return or scrap those assets. As a full service investment recovery company, we also help our clients locate equipment.

#### **We offer:**

*Orderly Negotiated Sales, Sealed Bid Sales, Auctions (Onsite & Internet), Asset Redeployment, Equipment Locator Service, Asset Portfolio Development, Asset Valuation, Asset Recovery Program Consulting, Equipment Lease Financing*

#### **We can help with:**

*Processing Equipment, Packaging Machinery, Facility Equipment, Computer Equipment, Warehouse Racking, Office Equipment, Lab Equipment, Misc. Plant Support Items*
